Experience the ultimate luxury estate while enjoying all of the benefits of life in Wall Twp. Imagine the perfect, private setting on 8.2 manicured acres. In 2004, the owners had the vision to enhance this rare and beautiful property with a home befitting its unique location. Taking the grand presence of over 11,000sf of living space and crafting it into a warm and intimate home was a feat in itself. It required the highest level of quality materials and workmanship with every luxurious and practical amenity (see feature list). It also had to have a great sense of artistry (in architectural design and décor), and the lifestyle of a 5 star resort--indoors and out. To appreciate how well this property achieves the rare combination of luxury and style, you must experience it in person.
